- Section 53 prescribes that the requester must use the prescribed form to make the request for access to a record. This must be made to the head of the private body, or his duly authorised deputy. This request must be made to the address, fax number or electronic mail address of the body concerned.
- The requester must provide sufficient detail on the request form to enable the head of the private body to identify the record and the requester. The requester should also indicate if he or she wishes to be informed in any other manner and state the necessary particulars to be informed.
- The requester must identify the right that he or she is seeking to exercise or protect and provide an explanation of why the requested record is required for the exercise or protection of that right.
- If a request is made on behalf of a person, the requester must then submit proof of the capacity in which the requester is making the request to the satisfaction of the head of the private body.
- The head of the private body must notify the requester (other than a personal requester) by notice, requiring the requester to pay the prescribed fee (if any) before further processing the request.
- The fee for private bodies is R50. The requester may lodge an internal appeal or an

- application to the court against the tender or payment of the request fee.
- If the request is granted then a further access fee must be paid for the reproduction and the search and preparation, and for any time that has exceeded the prescribed hours to search and prepare the record for disclosure.
